

Founded in 1890 as Arkadelphia Methodist College, we are the only one of Arkansas's nine public universities that is now named for an individual—Charles Christopher Henderson, a Trustee and prominent Arkadelphia businessman. We are one of only two originally established as a four-year, degree-conferring institution; and we're the second oldest state university in Arkansas.

The following is a compilation of data reflective of the Educator Preparation Program at

II. Enrollment and Program Completers

The Higher Education Act (HEA) Title II Report is a national data collection for institutions and states related to teacher preparation and licensure. HEA Title II Reports can be found at <https://title2.ed.gov/Public/Home.aspx>. The table below represents data the EPPs have reported to Title II in the past three years.

III. Enrollment and Demographic Data

Each year EPPs report enrollment, race, ethnicity, and gender of students in their programs to HEA Title II. Data from the 2014 HEA Title II Report are presented below. These are the number of students in each initial licensure program in 2012-13.

Table 3. Enrollment and Demographic Data

| <u>HSU</u> <u>Program Type</u> | <u>Male</u> | <u>Female</u> | <u>Total</u> <u>Enrollment</u> | <u>Hispanic</u> | <u>Indian</u> | <u>Asian</u> | <u>Black</u> | <u>Islander</u> | <u>White</u> | <u>Multi-</u> <u>Racial</u> |
|-----------------------------------|-------------|---------------|-----------------------------------|-----------------|---------------|--------------|--------------|-----------------|--------------|--------------------------------|
| Traditional | 53 | 151 | 204 | 5 | 2 | 1 | 16 | 0 | 177 | 3 |
| Nontraditional | 22 | 7 | 29 | 0 | 1 | 0 | 2 | 0 | 25 | 1 |

Note: Individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. For purposes of Title II reporting, the definition of an enrolled student is a student who has been admitted to a teacher preparation program, but who has not yet completed the program.

V. Number of Program Completers Employed in Arkansas Public Schools (first-year)

All 2013-2014 Arkansas EPP program completers (both traditional and nontraditional) were reported to the ADE Office of Research and Technology. Those found as employed in Arkansas public schools (APS) in 2014-2015 are represented below.

Table 5. HSU Program Completers Teaching in Arkansas Public Schools During their first year

VII. Praxis® Licensure Test Pass Rates

The Praxis® Tests reported herein are those assessments that are required for teacher licensure in Arkansas. EPPs with approved programs for that particular subject area are listed beneath each test. Pass rates reflect the number of students taking each test for the first time between 9/1/13 and 8/31/14, and the numbers passing each test. Highest and lowest scores on each test are also included. IHEs had the opportunity to verify their students took the tests listed for their institution. Data include both traditional and nontraditional routes.

VIII. Novice Teacher Survey Results

First year teachers complete the “Novice Teacher Survey” at the end of their first full year of teaching. The survey is designed to identify how well they feel their educator preparation program prepared them for teaching. The questions and results from spring 2014 are indicated below. Data include both traditional and nontraditional programs.

IX. Glossary

Educator Preparation Provider (EPP) – Educator preparation providers are institutions and organizations that offer teacher preparation programs. Educator preparation providers can be Institutions of Higher Education (IHEs) offering traditional programs (traditional route to licensure), IHEs offering alternative programs (nontraditional route to licensure), or organizations not based at IHEs offering alternative programs. Educator preparation ‘**programs**’ are those individual tracks offered under the auspices of each provider.

HEA Title II (Title II of the Higher Education Act of 1965) - In October 1998 Congress reauthorized the Higher Education Act. Title II, Sections 207 and 208 reflect the efforts of States, Institutions of Higher Education (IHE), and their school district partners to improve the recruitment, preparation, and support of new teachers. The HEA Title II Report includes requirements, conditions, and specifications for institutions and states related to teacher preparation and licensure.

IHE – Institution of Higher Education; college or university.

Nontraditional route to licensure – a post-baccalaureate preparation program designed for individuals seeking licensure as a teacher whose undergraduate, or post-baccalaureate degree is not in educator preparation. Under the Arkansas Department of Education rules for nontraditional licensure, this is a program that allows them to serve as teacher of record while enrolled in a program of study.

Pedagogy - the art or science of teaching; education; instructional methods.

Praxis[®] licensure tests – examinations offered by ETS[®] taken by individuals entering the teaching profession (required by many states, including Arkansas) as part of the licensure process. Passing scores are required on the appropriate basic skills, pedagogy, and content-area assessments as mandated by the State Board of Education.

Program completer - a person who has met all the requirements of a state-approved educator preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program’s requirements.

Supervised clinical experience (SCE) – pre-service teaching (student teaching) or internship in a school setting that provides candidates with extensive opportunities to develop and demonstrate competence in the professional roles for which they are preparing. This is completed under the guidance and supervision of licensed practicing school personnel and college or university supervisory personnel.

Traditional route to licensure – an undergraduate program of study or graduate program of study at an institution of higher education that prepares candidates for licensure as a teacher, special education teacher, school counselor, school administrator, or other school professional. These programs include a supervised clinical experience (student teaching) but the students do not serve as teacher of record while enrolled in the program of study.
